## Family Self-Sufficiency Program

### WHO?

All Public Housing household residents are eligible to apply for the Family Self-Sufficiency Program.

### WHAT?

The Family Self-Sufficiency Program is designed to assist families in achieving the goal of becoming self sufficient.

Program participants establish goals that will increase their incomes. This is usually accomplished by enhancing educational and vocational skills.

Participants identify barriers that may prevent them from accomplishing their goals.

The barriers may include lack of childcare, transportation, or funds needed for education. A CHA case manager assists with coordination of community resources.

### WHERE?

Public Housing FSS participants are housed at the Victoria Square or Claremont Communities.

### HOW?

To apply for the Family Self-Sufficiency Program, please stop our office at 326 Benjamin Street between the hours of 8am and 5pm Monday through Friday. You may also call 704.336.5317 to have an application mailed to you.

### INCENTIVES

As a participant of the program, you will be entitled to start an escrow account. When your rent increases, as a result of an increase in your earned income, part of the rental increase is put into your escrow account each month.

Participants may receive this money upon the successful completion of the program.
